

# Curbar Parish Council

Serving the people of Curbar

## IMPORTANT NOTICE

On behalf of the village and Curbar Parish Councillors we would like to extend our very special thanks to David Nicholson and Stuart Allen who have given many years service as members of the Parish Council offering their wisdom and practical skills unselfishly throughout our village.

Their presence will be greatly missed by fellow Councillors. However, as always they will continue to quietly contribute to the well being of our village through their voluntary work with the Burial Committee and Calver Weir Project to mention just 2 of their many commitments.

Thanks again David and Stuart.

Councillor Ann Ironmonger
