699 Curbar, Calver & Froggatt Joint Burial Ground Committee

We have received a request for a joint meeting from the clerk of Calver PC in relation to the burial committee and how this operates. New regulations brought in 2014 means that the burial committee cannot operate as a corporate body. Clerk to contact Calver PC to propose meeting including Dave Nicholson the chairman of the burial committee as he has valuable information to help resolve the situation. Cllr Games has suggested this be a face to face meeting following social distancing guidelines as there are ancient documents that need to be considered which cannot be made electronic.

Ann raised the point that if we are to conduct a face to face meeting in relation to this issue we should also consider carrying out the site visit for the new play equipment. Cllr Games stated that the decision to put the play equipment on hold for the moment had already been made.

The meeting closed at 2.35pm

DATES OF FUTURE MEETINGS: All future meetings are held at 7.30pm at Wesleyan Church. MEMBERS OF THE PUBLIC ARE WELCOME TO ATTEND.
